## ALVA REGIONAL AIRPORT ALVA, OK

**2**

**Employees**

**2**

**Runways**

18/36: concrete

08/26: turf

**37**

**Based  
Aircraft**

Currently  
working on  
an **apron  
expansion**

**Based Businesses:** Plane Plastics, Steggs Aerial Spraying, Dale's Aircraft Service, Haltom Aircraft Service, Brandon Farney CFI

**Primary Customer/User Base:** Pipeline Patrol, Plane Plastics, Hunting, Fuel Stops

**Community Impact:** The airport brings in services that normally would not be available in a small, rural town

**Needed Capital Projects:** In addition to the expansion of the parking apron, the airport needs the taxiway renovated.

The airport served as a flight training center during WW2 and the current terminal has a museum paying tribute to this.
