Runway  
Extension

**Based Businesses:** SOSU Flight School, Choctaw Nation, First United Bank, Hangar Ten Aviation, Bray Aviation, Magnolia Aviation, Nolan's Aviation

**Primary Customer/User Base:** SOSU Flight Training, Lake Texoma Access, Ranchers, local businesses and GA community, Choctaw Nation

**Community Impact:** The recent runway extension now allows for bigger jets and expanded community access. The airport also provides valuable flight training and other services and quickly becoming the desirable location for aviation business development.

**Needed Capital Projects:** An apron expansion is needed to accommodate the larger aircraft and increased traffic that has resulted in the extended runway and facility improvements.

**24-hour fuel service,** a newly-extended runway and located to connect to business and leisure locations, Durant is regarded as one of the top regional hubs in the area.
