Master Plan  
Update

**Based Businesses:** 11 total to include OU School of Aviation, Sooner Flight Academy, NOAA, Wrangler Aviation and Commander Aviation

**Primary Customer/User Base:** OU School of Aviation, General Aviation and Business Travel

**Community Impact:** In addition to receiving thousands of visitors each year that support the local economy, the airport also services USDA, Mediflights and Law Enforcement agencies.

**Needed Capital Projects:** Master Plan Update and Reconstruction of Taxiways A & B.

**Established in 1941** on donated land, it was converted to a US Navy Air Station in 1943 and then returned back to the University of Oklahoma in 1946 where it has continued to flourish.
